

BUILDING A FUTURE THAT WORKS.

The American labor market is broken. Our rapidly changing economy demands skilled and adaptable workers, but many people lack the education and training employers require. JFF is transforming the workforce and education systems to accelerate economic advancement for all.

What We Do Matters NOW MORE THAN EVER

Ensuring Equity in Economic Advancement

Despite overall growth, economic opportunity is limited for millions of Americans. Through education and dignified work, everyone can create the life they deserve.

Meeting Employer Needs

Employers continue to struggle to find employees with the right skills. For America to thrive in the global economy, businesses need a steady supply of highly qualified workers.

Preparing for the Future of Work

Automation, outsourcing, and new contract arrangements are changing the nature of work. Everyone must think differently about how to sustain the nation's talent supply.

JFF designs innovative solutions, scales proven programs, and influences industry action and policymaking to drive the most transformative impact.
